"Rocket Man"
Music: Elton John    Lyrics: Bernie Taupin

[Verse]
Gm7                          C9
She packed my bags last night pre-flight
Gm7                C9
Zero hour, nine a.m.
Eb                 Bb/D  Cm  Cm/Bb           F/A
And I'm gonna be high        as a kite by then
Gm7                          C9
I miss the earth so much, I miss my wife
Gm7                     C9
It's so lonely out in space
Eb          Bb/D  Cm    Cm/Bb  F/A  F7
On such a timeless flight

[Chorus]
Bb                                      Eb
And I think it's gonna be a long, long time
                                      Bb
'Till touch down brings me round again to find
                                Eb
I'm not the man they think I am at home
            Bb/D       C9
Oh no, no, no, I'm a rocket man
Eb                                  Bb
Rocket man, burning out his fuse up here alone
                          (+Eb between choruses)
[repeat Chorus]

[Verse]
Gm7                              C9
Mars ain't the kind of place to raise your kids
Gm7                  C9
In fact it's cold as hell
Eb                 Bb/D     Cm      Cm/Bb           F/A
And there's no one there to raise them,      if you did
Gm7                          C9
And all this science I don't understand
Gm7                          C9
It's just my job, five days a week
```

```
              Eb Bb/D  Cm  Cm/Bb              F/A  F7
A rocket man,                  a rocket man
```

[Chorus x 2]

[Outro]
Eb   **Bb**
And I think it's gonna be a long, long time
Eb   **Bb**
And I think it's gonna be a long, long time
Eb   **Bb**
And I think it's gonna be a long, long time
Eb   **Bb**
And I think it's gonna be a long, long time
